TOOL CASES

KENNEDY ALL STEEL MACHINISTS'

Electrically welded and strongly reinforced, it will withstand much more than usual hard usage. The strong double drawer slides operate smoothly and easily. The drawers are all covered with felt. Equipped with a good strong chest lock and is finished in Kennedy-brown baked enamel. Three drawers 1¼x7½x18¼ inches; two drawers 2½x7½x18¼ inches.

No. KM20. Size 20x8½x12 inches. Wt. ea., 32 lbs. .....Each **$12 00**

KENNEDY ALL STEEL MACHINISTS'

Neither heat nor moisture will affect this case or make it difficult to operate the drawers. The drawers slide easily on double drawer slides that stop the drawers only after they are extended far enough to allow an unobstructed view of the contents. The slides will withstand much more weight than normal hard usage requires. The case is strongly reinforced with boxed ends and drop front and fitted with solid brass multiple change lock and side catches, and finished in Kennedy-brown pine tree enamel. Charts in lid showing decimal equivalents, and S. A. E. and U. S. standard screw threads. Till in top 3¾x8¼x20 inches; four drawers 1x7½x8⅝ inches;; one drawer 1½x7½x18¼ inches; one drawer 2x7½x8⅝ inches; one drawer 2½x7½x18¼ inches.

No. 520. Size 20x8½x13 inches. Wt. ea., 35 lbs. .....Each **$18 00**
